THE HALL OF THE SINGING CARYATIDS NEW DIRECTIONS PEARLS EBOOKS 2019

Author: Victor Pelevin u0026 Andrew Bromfield

Realese Date: Lanzamiento previsto: @@expectedReleaseDate@@

A far-out, far-fetched, and fiendishly funny story about a strange nightclub and its outrageous entertainment.u003cbr /u003e

After auditioning for the part as a singing geisha at a dubious bar, Lena and eleven other "lucky" girls are sent to work at a posh underground nightclub reserved exclusively for Russia's upper-crust elite. They are to be a sideshow attraction to the rest of the club's entertainment, and are billed as the "famous singing caryatids." Things only get weirder from there. Secret ointments, praying mantises, sexual escapades, and grotesque murder are quickly ushered into the plot. The Russian literary master Victor Pelevin holds nothing back, and The Hall of the Singing Caryatids, his most recent story to be translated into English, is sure to make you squirm in your seat with utter delight.
